

South Stanley Infant School Council

*Weaving a web
of friendship*

Monday 9th February 2015

Our Friendship Afternoon

This year's School Council big project is to develop friendships across school and our community. In fact, we are aiming to stretch our friendships across the country and beyond!

We had to start somewhere, so the children decided to hold a Friendship afternoon in school. The classes all got mixed up and the children visited new places and met with old and new friends. They enjoyed crafts and games and all made a friendship card to exchange with a new friend. We ended the event with a celebratory snack time in the hall, including heart shaped biscuits and lemonade!

One of the highlights of the afternoon was the arrival of our new special friends, our class teddies! Each class has a lovely new friend to cuddle and chat to. Every member of each class helped to name and stuff the bears, who were then introduced to the rest of the school in a special assembly.

Ask your child about their class bear...

Nursery Bear is called Bluey

Class 1 Bear is called Diamond

Class 2 Bear is called Layla Love Bear

Class 3 Bear is called Cuddles

Class 4 Bear is called Ruby

Class 5 Bear is called Hector the Happy Helping Hand Bear!

(or Hector for short!)

We look forward to enjoying more events in the near future, and hope you will help us weave the web of friendship across South Stanley and beyond!
