

Say Hello to Mrs Collier

I have been teaching for over 15 years. I started as a student teacher at this school and I love it that much, I have never left!

My favourite book is...

One of my favourite books is The Tiger that came to tea, as it is my daughter's favourite story to listen to when she was growing up. We would sit cuddled up on the sofa and read the story over and over again and then we would pretend that a tiger had knocked at our door and would have a tea party with him. But one of my favourite series of books is Harry Potter. I love to read them and get lost in the mysterious world of magic.

My favourite hobby is...

When not at school I love to spend time with my family and our pet dog called Ember. We spend the weekend going on adventures outdoors to our favourite place, the Lake District with our campervan. We enjoy going for long walks and sitting by the campfire roasting marshmallows.

My favourite thing about working at SSIN is...

The best thing about being a teacher is when a child turns to you and say 'arrrr I get it now' and from that you know that you have taught them something new. Some of my children can think I'm a bit of a drama queen as we are always singing and dancing when we are learning new things.
