

Say Hello to Mrs Elliott

Hi everyone, I am new to SSIN and I am fortunate enough to be the reception teacher in class 2. I feel very lucky to work in such a lovely school.

My favourite book is...

One of my favourite things to do is read a book on my holidays relaxing by the pool. I love mystery and comedy books and my favourite author Colleen Hoover combines them both really well. My favourite children's author is Julia Donaldson with classics such as The Gruffalo and the Stickman what's not to love.

My favourite hobby is...

I love to go on holiday with my family in my touring caravan when I'm not in school. I love to visit lots of beautiful places like the Lake District and historical cities like York and Edinburgh. I love making campfires and roasting marshmallows on them with my two children and my husband.

My favourite thing about working at SSIN is...

It is such a privilege to teach the reception class and watch some of our youngest children learn, grow and develop every day. It is wonderful to see the children smiling and happy as they go about their day at school.
