

Say Hello to Mr Patey

Hello, my name is Mr Patey and you will see me with all of the children in our Reception class, where we have lots of fun and learn lots of new things.

My favourite book is...

My favourite book is 'Who is out there?' I like how the little boy hides after playing a trick on his sister and hides but then he is not sure who is out there, whilst hiding under his bed.

My favourite thing about working at SSIN is...

Keeping busy with lots of different games and activities, using lots of energy in our multi-sports club. Children take part in a variety of activities such as dodge-ball, cricket, skipping, throwing and catching games, team games which involve races and lots of thinking. Children are encouraged to explore and be very imaginative and creative.
