ALL CHANGE!

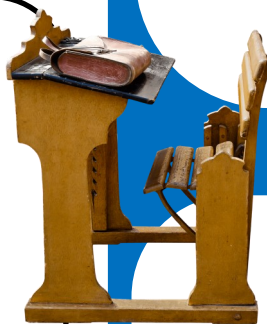

Our topic this term is 'All Change!' and the children will be learning about what schools were like in the past and compare them to schools now.

Here is an overview of some of the things that you can do with your child to support them with their learning throughout this half term.

Key Vocabulary

history historian chronology
chronological order timeline,
sequencing sources
enquiry decades, Victorian,

This is some of the key vocabulary we will be learning and using for our topics this term. Please discuss them with your child and enjoy researching anything you are unsure about!

Can you find out what children had to wear for school in the past?

What happened to children that misbehaved in school many years ago?

Ask your grown ups if they have any photographs of when they went to school and bring them in to share.

Write down what you find out and bring it into school to collect your topic certificate!

Curriculum Enrichment

This term Year 2 will be visiting Beamish Museum on Tuesday 17th October 2023. We will be taking a trip back in time to experience life as a Victorian school child as well as exploring the fantastic Pit Village and Town.
