Introduction:

Within our school we aim to provide high quality sporting experiences for our children and to continually improve our own practice. We monitor and track the development and progression of our children through assessment to ensure that their attainment is meeting the set requirements of the National Curriculum.

In 2023 – 2024, South Stanley Infant and Nursery School received £16,770 Primary PE & School Sport Premium. This will be used in conjunction with other grants and funds from the school budget to raise standards in curriculum Physical Education, School Sport, Physical Activity and Healthy living (PESSPA).

The sports premium is set to cover the key indicators:

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
2. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.
3. The profile of PE and sport being raised across the school as a tool for whole school improvement.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.
