

Say Hello to Mrs Bosworth

Hello, my name is Mrs Bosworth and I am a teacher in Class 4. I'm also Music and Computing lead and I love leading our singing assemblies!

My favourite book is...

I love to read before I go to bed, with a nice cup of tea and a blanket! I like to read lots of different genres but my favourite stories are about people and their different experiences.. I love the Harry Potter series— these are probably my favourite and I've read them lots of times.

My favourite hobby is...

When I have spare time at home I love to bake celebration cakes for my friends and family. I love planning the design and practising different decorations! I also love to go out for long walks with my family and our dog. We love the woods, the beach and the countryside and sometimes we enjoy camping too.

My favourite thing about working at SSIN is...

My favourite thing to do at school, is to teach singing. I love it when the children work really hard to learn a new song and then we all come together and sing! It's such a great way to come together as a whole school and we love to perform at different celebrations like Harvest Festival
